Track & Field – grades 4-8

Unfortunately, there will be no track team from St. Therese this season due to a very low number of participants to make a team. The low number of participants is not enough to cover the expense of CYO team registration fees and the use of the Franklin HS track field.

To the few who had showed interest in participating, St. Edward's is inviting us to join their track team. If you choose not to participate, your will be refunded your registration fee.

CYO Basketball – grades 4-8

Your sports pictures have arrived. Pictures have been distributed to your child in their classroom. If you missed picture day and did not turn in your uniform, please do so by Friday, April 30 with your name. Otherwise, you will be charged \$80 dollars for non-return of uniform.

Basketball coaches – If you have not yet turned in your basketball equipment, please do so by April 30, or a bill for non-returned items will be sent to you.

Summer sports camp flyers from various schools are available and located in the Athletic hanging files outside the school office.

Thank you,

Lucita Valiere, Athletic Director
206-324-0460, ext. 118
