**See Pacific Northwest African American Quilters' Exhibit At
Northwest African American Museum Northwest, March 1-October 4, 2009**
2300 S Massachusetts Street, Seattle, WA 98144 www.naamnw.org

In this exhibition, the women of the Pacific Northwest African American Quilters bravely give us access to their lives-brimming with memories, hopes, joys, milestones, losses, passions and accomplishments. Though the quilts reflect the lives these particular women have lived, their stories are so familiar and inviting as to convince us they speak on our behalf as well. The stories woven into these quilts tell of an African American community living at this particular time in history, in this particular place. (Exhibition dates March 1, 2009 thru October 4, 2009)

NAAM is also proud to announce the opening of a new exhibit in its Café Gallery, **Constellation of Shadows and Leaves**. This exhibit features five mixed-media collage works by local artist Carletta Carrington Wilson. These five pieces are part of a larger fourteen work exhibition centered around historic maps of Africa. (Exhibition dates February 18, 2009 thru August 2, 2009)

INCLEMENT WEATHER & SCHOOL CLOSURE

If weather and safety conditions require our school to close, parents and students must listen to early broadcast announcements on TV (channels 4,5,7) and on their websites.

When we have inclement weather, St. Therese School is either open or closed. If there is a storm, and the Seattle Public Schools are closed, St. Therese School is closed. We never delay our start time, however if your children are late due to weather, they will not be considered tardy.
